

Classic Honda of Midland Helping Local Children in Need

Proud Sponsor of 2019 Crystal Ball

Classic Honda of Midland is devoted to giving back to the community of Midland through volunteer work and sponsorship. That's why Classic Honda of Midland is stepping up to help local children in need and those who are looking for a forever home.

Classic Honda of Midland is a proud sponsor of the 45th Annual Crystal Ball. The April 6th event is a fundraiser for High Sky Children's Ranch. The organization helps troubled children and families. High Sky offers programs that provide a structure with life skills as well as therapeutic services.

"We are honored to partner up with this amazing organization that has been a part of our community for almost seven decades," said Joey Gabarda, Owner of Classic Honda of Midland.

"Our goal is to make sure those kids in the program find loving families and to keep families together as well," said Joe Bell, Director of Development for High Sky Children's Ranch.

Along with helping High Sky Children's Ranch, Classic Honda of Midland has also sponsored Bustin' for Badges, a fundraiser for local law enforcement, as well as hosted fundraisers and car shows for breast cancer awareness.
